Dear HVCCDE Member

It has been many, many years since the Club has increased the annual membership dues. The year 2018 is the year. We have shortened the deadline as well – plus added new and improved methods of meeting that obligation.

What are you getting for this increase? Good question.

- ❖ New & Greatly Improved Social Media – an online presence such as we have never experienced before – a Facebook page; a Website page with the most comprehensive schedule of events for the entire year in a wide radius for activities<sup>1</sup>.
- ❖ Online capability to pay dues, contribute to the scholarship fund over and above the portion your dues contributes, online store for club t-shirts, etc.
- ❖ Membership Card that now gives you discounts with organizations who are supporting our Club. (see online)
- ❖ A Board leadership who is working hard to make the Club's presence more well-known than ever before, adding more Club-organized shows for the coming year, increasing the membership numbers, and increasing efforts to give back to the community via the scholarship fund, charitable giving, etc.

When are your dues due? The deadline will now be **January 31st, 2018**. I will be sending out your membership renewal form, already filled in, either by email or USPS. All you have to do is verify the information is complete and correct, then mail it back to me along with your check made payable to HVCCDE in the amount of \$20.

OR, if you pay online via PayPal, you can fill in the form for yourself and I will check it against my database when received to verify accurate records.

Your attendance at a monthly meeting is always appreciated and we look forward to seeing you there. Please make a special effort to attend after you have paid your dues so that you can pick up your new Membership Card with all the perks included.

Sincerely,

Barbara Cool
